

Management Accountant

Idox Group
Glasgow

About the role

This is an opportunity for an experienced Management Accountant to join our Group Finance team based in Glasgow city centre. The role of Management Accountant has a variety of responsibilities, involving responsibility for the management, information packs and reporting for a business division, and tackling emerging requirements as part of the core Finance team of the Group. There are plenty of challenges and opportunities to develop your business acumen and accounting skills.

The successful candidate will be exposed to a fast-paced, acquisitive and ever-changing corporate environment. The role will report directly to the Group Finance Manager, have contact with the Chief Financial Officer and communicate with operational staff, based globally. We are looking for a professional to uphold professional rigour, but at the same time forge a warm and constructive relationship with business colleagues.

Your responsibilities will include:

- Responsibility for divisional management accounts
- Assist with Group consolidation and cashflow
- Act as the main finance contact for divisional management
- Preparation of monthly revenue in line with IFRS within group deadlines
- Provide support to junior members of the management accounts team
- Preparation of monthly reporting packs
- Monthly costs analysis against budget
- Significant involvement in group audit and accounts preparation
- Responsibility for a number of foreign subsidiary statutory accounts
- Significant input into ERP system improvements plan
- Continuously identify and implement business process improvements
- Other ad hoc work as required such as tax assistance, budget preparation etc.

To be successful, you'll need to be:

- A qualified accountant, ICAS or CIMA
- At least 3 years post qualified experience
- A confident communicator - you will be speaking with operational staff on a daily basis and challenging them where necessary
- A team player used to working in a fast moving environment
- Good analytical skills and attention to detail
- Motivated individual willing to take responsibility
- Must be able to work to tight monthly deadlines and strict reporting deadlines.

The Benefits

This post commands a competitive salary depending upon experience, along with an excellent benefits package.

How to apply

Applicants should submit a CV, and a short cover letter (*maximum 500 words - including salary expectation, and current remuneration*) explaining why they feel they would be suited to this role to Join.Us@idoxgroup.com.

Please note successful applicants will need to satisfy the BPSS guidelines (Baseline Personnel Security Standards) which consist of the receipt of satisfactory references covering the last 3 years of employment; an identity check; verification of eligibility to work in the UK; and a Basic Disclosure Check. This is in order to help us make safer recruitment decisions and prevent unsuitable people from working with access to personal and sensitive data.

Privacy Notice

As part of the recruitment process we will collect data about you in a variety of ways including the information you would normally include in a CV or a job application cover letter, or notes made by our recruiting officers during a recruitment interview.

Please read the Idox Recruitment Data Privacy Policy here <http://www.idoxgroup.com/privacy.html>
