### ACCEPTANCE LEVEL UPDATE

On 5 January 2026 the boards of directors of Frankel UK Bidco Limited ("**Frankel**") and Idox plc ("**Idox**") announced a switch of offer structure from a Scheme of Arrangement to a recommended takeover offer as defined in Chapter 3 of Part 28 of the Companies Act (the "**Offer**") pursuant to which Frankel would offer to acquire the entire issued and to be issued share capital of Idox (the "**Acquisition**"). The offer document in respect of the Offer (the "**Offer Document**") was published and posted to Idox Shareholders on 15 January 2026.

This announcement should be read in conjunction with the full text of the Offer Document. Capitalised terms used but not defined in this announcement have the meanings given to them in the Offer Document.

#### **Day 42 Acceptance Level Update**

Day 60 of the Offer timetable will be 14 May 2026. Day 42 of the Offer timetable was therefore 26 April 2026.

**Idox Shareholders are reminded that the Offer became unconditional on 20 April 2026.**

In accordance with Rule 17 of the Takeover Code, Frankel announces that, as at 4.30 p.m. (London time) on 24 April 2026 (being the last Business Day prior to the date of this announcement), valid acceptances of the Offer ("**Valid Acceptances**")

had been received in respect of a total of 340,342,380 Idox Shares, representing approximately 71.67 per cent. of Idox's existing issued share capital.

Included within the above are Valid Acceptances in respect of Idox Shares which were the subject of irrevocable undertakings or a letter of intent to accept (or procure the acceptance of) the Offer, given by the Idox Directors and certain Idox Shareholders in respect of their own entire legal and beneficial holdings of Idox Shares (or those Idox Shares over which they have control). Further details of the irrevocable undertakings, including the terms on which they cease to be binding, are set out in Section 5 of Appendix IV of the Offer Document (*Additional Information*).

So far as Frankel is aware, included within the above are Valid Acceptances in respect of 28,128,861 Idox Shares (representing, in aggregate, approximately 6 per cent. of Idox's existing issued share capital) which were received from persons acting in concert with Frankel.

**Accordingly, as at 4.30 p.m. (London time) on 24 April 2026, Frankel has received Valid Acceptances of the Offer in respect of 340,342,380 Idox Shares (representing approximately 71.67 per cent. of Idox's existing issued share capital).**

The percentages of Idox Shares referred to in this announcement are based on figures of 474,842,885 Idox Shares in issue as at close of business in London on 24 April 2026 (being the last Business Day prior to the date of this announcement), in accordance with information publicly available to Frankel as at the date of this announcement.

Together with the 28,748,136 Idox Shares comprising the Rollover Shares that are currently held by Frankel (which, as described in greater detail in the Offer Document were transferred by the SCF Master Fund to Frankel pursuant to internal arrangements), the Valid Acceptances received by Frankel in respect of the Offer currently result in Frankel holding 369,090,516 Idox Shares in aggregate, representing approximately 77.73 per cent. of Idox's existing issued ordinary share capital.

#### **Interests in Securities**

As at the close of business in London on 24 April 2026, the interests in, or rights to subscribe in respect of, relevant Idox securities held by persons acting in concert with Frankel were:

<b>Name</b>	<b>Number of Idox Shares held</b>	<b>Percentage of Idox's issued share capital (%)</b>
<b>Long Path Smaller Companies Master Fund, Ltd. (the "SCF Master Fund")</b>	28,128,861	6%

Save as disclosed in this announcement, as at close of business in London on 24 April 2026, neither Frankel, nor any Frankel Director, nor, so far as Frankel is aware, any person acting in concert with any of them nor any person with whom it or any person acting in concert with any of them has an arrangement had:

- (i) any interest in or right to subscribe for any relevant Idox securities;
- (ii) any short positions in respect of relevant Idox securities (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; or
- (iii) borrowed or lent any relevant Idox securities (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 3 on Rule 4.6 of the Takeover Code).

#### **Action to be taken by Idox Shareholders to accept the Offer**

The Offer will initially be open for acceptance until 1:00 p.m. (London time) on 14 May 2026, (the "**Unconditional Date**"). The Unconditional Date may be brought forward or extended in accordance with the Takeover Code, as further described in paragraph 1 of Part C of Appendix 1 (*Conditions to and further terms of the Acquisition*) of the Offer Document.

#### **Idox Shareholders are encouraged to accept the Offer as soon as possible**

**Idox Shareholders who hold their Idox Shares in certificated form (that is, not in CREST)** should complete the Form of Acceptance in accordance with the instructions printed thereon and in paragraph 17 of Part 1 (*Letter from Frankel UK Bidco Limited*) of the Offer Document. The completed Form of Acceptance, together with the share certificate(s) and/or other document(s) of title, should be returned as soon as possible by post using, if posted in the United Kingdom, the reply-paid

envelope enclosed with the Offer Document to the Receiving Agent at Neville Registrars, Neville House, Steelpark Road, Halesowen B62 8HD, United Kingdom, so as to arrive no later than 1.00 p.m. (London time) on the Unconditional Date. It is recommended to allow four Business Days for delivery. Any Form of Acceptance received electronically will be rejected as an invalid acceptance of the Offer.

**Idox Shareholders who hold their Idox Shares in uncertificated form (that is, in CREST)** should follow the procedures set out in paragraph 17 of Part 1 (*Letter from Frankel UK Bidco Limited*) of the Offer Document and ensure that an Electronic Acceptance is made by them or on their behalf and that settlement is made no later than 1.00 p.m. (London time) on the Unconditional Date. If such shareholders hold their Idox Shares as a CREST sponsored member, they should refer to their CREST sponsor as only their CREST sponsor will be able to send the necessary TTE instruction to Euroclear.

#### **Delisting, cancellation of trading, squeeze-out and re-registration**

Idox Shareholders are reminded that, as stated in the Offer Document, if Frankel receives acceptances under the Offer in respect of, and/or otherwise acquires, 90 per cent. or more of the Idox Shares to which the Offer relates, Frankel intends to exercise its rights pursuant to the provisions of Chapter 3 of Part 28 of the Act to acquire compulsorily any Idox Shares not acquired, or agreed to be acquired, by or on behalf of Frankel pursuant to the Offer or otherwise on the same terms as the Offer.

Idox Shareholders are reminded that, as stated in the Offer Document, now that Frankel, by virtue of its shareholdings (and the shareholdings of its wholly-owned subsidiaries) and acceptances of the Offer, will acquire issued share capital carrying 75 per cent. or more of the voting rights of Idox, Frankel intends to procure the cancellation of the admission to trading of Idox Shares on the AIM Market of the London Stock Exchange. A further announcement will be made in due course setting out the expected timetable and next steps in relation to the cancellation. Following the Idox Shares having been de-listed, Frankel intends to procure that Idox shall be re-registered as a private company.

Now that the Offer has become Unconditional, Frankel also intends to amend the governance structure of Idox to be more like a private company. As a consequence, Frankel does not intend to appoint any independent directors to the board of Idox (save as required to ensure Idox's compliance with the AIM Rules), and does not intend to conduct earnings calls, provide any public disclosures or comply with any voluntary regimes, including the Quoted Companies Alliance Corporate Governance Code, in each case other than as required under applicable law or regulation. Frankel will also now be in a position to determine the overall strategy of the Idox Group and the declaration or cessation of any dividends, and while Frankel is confident in achieving a sustainable capital structure for Idox, the level of debt incurred is likely to be above that which would be regarded as typical for a public company admitted to trading on AIM.

Such cancellation and re-registration shall significantly reduce the liquidity and marketability of any Idox Shares in respect of which the Offer has not been accepted at that time and their value may be affected as a consequence. Even if there is no cancellation or re-registration, as the Offer has become Unconditional, any Idox Shareholders that do not accept the Offer will be minority shareholders in a publicly-listed company and can expect to have materially reduced liquidity and marketability of their securities. In either case, any remaining Idox Shareholders would become minority shareholders in a privately controlled limited company or a public company (as applicable) with materially reduced liquidity and marketability and may be unable to sell their Idox Shares. As noted in the Offer Document, Long Path intends to suspend any ordinary course dividends or other distributions by Idox, and there can be no certainty that the Idox Shareholders shall again be offered as much for the Idox Shares held by them as under the Offer.

#### **Settlement**

Idox Shareholders are reminded that the Offer became unconditional on 20 April 2026. Settlement for those Idox Shareholders who validly accepted the Offer on or before the Offer becoming unconditional will be effected within 14 calendar days on which the Offer became unconditional or, in relation to valid acceptances received after this date, within 14 calendar days of receipt of that acceptance.

This section should be read in conjunction with the Offer Document and, in the case of Idox Shares held in certificated form, the Form of Acceptance. Idox Shareholders that are in any doubt about the contents of this announcement, or the action they should take, are recommended to seek their own independent financial advice immediately from their stockbroker, bank manager, solicitor, accountant or independent financial adviser duly authorised under the Financial Services and Markets Act 2000 (as amended) if they are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser.

### **Forward looking statements**

*This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Frankel and Idox contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Frankel and Idox about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.*

*The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Frankel and Idox (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "cost-saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Frankel's, Idox's, any member of the Wider Frankel Group's or any member of the Idox Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Frankel's, Idox's, any member of the Wider Frankel Group's or any member of the Idox Group's business.*

*Although Frankel and Idox believe that the expectations reflected in such forward-looking statements are reasonable, Frankel and Idox can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.*

*These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Frankel and Idox operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Frankel and Idox operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Frankel nor Idox, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any*

*forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.*

*Other than in accordance with their legal or regulatory obligations, neither Frankel nor Idox is under any obligation, and Frankel and Idox expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*
