OFFER TIMETABLE SUSPENDED

On 28 October 2025 the boards of directors of Frankel UK Bidco Limited ("**Frankel**"), a newly-formed company to be indirectly owned by Long Path Co-Investment Fund #6, LP (acting by its general partner, Long Path Co-Investment Fund #6 GP, LLC), Long Path Smaller Companies Fund, LP (acting by its general partner Long Path Fund GP, LLC), Long Path Smaller Companies Master Fund, Ltd. and Long Path Opportunities Fund II, LP (acting by its general partner, Long Path Opportunities Fund GP, LLC), and Idox plc ("**Idox**") made an announcement pursuant to Rule 2.7 of the Takeover Code of a recommended all-cash acquisition by Frankel of the entire issued, and to be issued, ordinary share capital of Idox (the "**Acquisition**"), intended to be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "**Scheme**").

The scheme document in respect of the Acquisition was published and made available to Idox Shareholders on 20 November 2025.

On 5 January 2026, Frankel determined, with the consent of Idox and the Takeover Panel, to implement the Acquisition by way of a recommended takeover offer as defined in Chapter 3 of Part 28 of the Companies Act, (the "**Offer**"), rather than by way of the Scheme.

The offer document in respect of the Offer (the "**Offer Document**"), together with the related Form of Acceptance, were published and posted to Idox Shareholders on 15 January 2026. Under the terms of the Offer, Idox Shareholders will be entitled to receive 71.5 pence in cash for each Idox Share. The Offer Document and Form of Acceptance are available, subject to certain restrictions relating to persons resident in Restricted Jurisdictions, at Idox's website at <https://www.idoxgroup.com/investors/>.

This announcement should be read in conjunction with the full text of the Offer Document. Capitalised terms used but not defined in this announcement have the meanings given to them in the Offer Document.

Regulatory Conditions

As described in greater detail in the Offer Document, the Offer is subject to the satisfaction or (if permitted) waiver of certain Conditions, including the following regulatory conditions relating to foreign direct investment clearances (the "**Regulatory Conditions**"):

- The French Ministry of Economy, Finance and Recovery having issued a decision authorising the completion of the Acquisition, or having confirmed in writing that those transactions relating to the Acquisition fall outside the scope of the relevant regulatory provisions; and
- A notification regarding the Acquisition having been submitted and accepted under the National Security and Investment Act 2021, and the Secretary of State having issued a final decision confirming that either no further action will be taken in relation to the Acquisition or that the Acquisition may proceed, with or without conditions.

Frankel and Idox confirm that the Regulatory Conditions remain outstanding as at the date of this announcement. The competent authorities are continuing their assessment of the respective notifications submitted by Frankel. Frankel and Idox remain actively engaged in, and are closely monitoring, the process in respect of the Regulatory Conditions, and will provide updates to the Panel and make further announcements (as appropriate) as the process continues.

Suspension of Offer timetable

Under Rule 31.4(a) of the Takeover Code, if one or more conditions to an offer relating to an official authorisation or regulatory clearance has not been satisfied or waived by 5.00 pm on the second day prior to Day 39, the Panel will normally suspend the offer timetable, either: (i) at the joint request of the offeror and the offeree company; or (ii) at the request of either the offeror or the offeree company, in the latter case provided that at least one of the outstanding conditions relates to a material official authorisation or regulatory clearance. Under the timetable for the Offer, Day 39 is 23 February 2026. Accordingly, 5.00 pm on 21 February 2026 (being the second day prior to Day 39) is the deadline by which a request to suspend the offer timetable should normally be made under Rule 31.4(a) of the Takeover Code.

Frankel and Idox have jointly requested a suspension of the offer timetable on the basis that that the Regulatory Conditions will not be satisfied or waived by 5.00pm on 21 February 2026. The Panel has agreed to this request and has therefore suspended the offer timetable, details of which are set out in a statement issued by the Panel earlier today at: <https://www.londonstockexchange.com/news-article/market-news/idox-plc-offer-timetable-suspended/17470347> (the "**Panel Statement**"). The Panel Statement will also be made available on Idox's website at www.idoxgroup.com/investors by no later than 12 noon (London time) on the business day following this announcement.

The offer timetable will resume on the date on which the last condition relating to a relevant official authorisation or regulatory clearance is satisfied or waived, which date will then become the 28th day prior to Day 60 of the revised offer timetable. In accordance with Rule 31.4(d) of the Takeover Code, when the offer timetable resumes, Frankel will make an announcement confirming the new Day 60 and the relevant deadlines for accepting the Offer.

The requirement for Frankel to make announcements of acceptance levels under Rule 17.1(a)(i) of the Takeover Code will not apply for the duration of the suspension of the offer timetable and will recommence when the offer timetable resumes.

Subject to the satisfaction or waiver (as applicable) of the Conditions set out in Appendix I (*Conditions to and further terms of the Acquisition*) of the Offer Document, and specifically the satisfaction of the Regulatory Conditions, it is now expected that the Offer will become or be declared unconditional no later than during Q2 of 2026.

Offer remains open for acceptance

Notwithstanding the suspension of the Offer timetable referred to in this announcement, the Offer remains open for acceptance. Idox Shareholders who have not yet accepted the Offer are encouraged to do so as soon as possible in accordance with the procedures set out in the Offer Document.

Idox Shareholders who hold their Idox Shares in certificated form (that is, not in CREST) should complete the Form of Acceptance in accordance with the instructions printed thereon and in paragraph 17 of Part 1 (*Letter from Frankel UK Bidco Limited*) of the Offer Document. The completed Form of Acceptance, together with the share certificate(s) and/or other

document(s) of title, should be returned as soon as possible by post using, if posted in the United Kingdom, the reply-paid envelope enclosed with the Offer Document to the Receiving Agent at Neville Registrars, Neville House, Steelpark Road, Halesowen B62 8HD, United Kingdom, so as to arrive no later than 1.00 p.m. (London time) on the Unconditional Date. It is recommended to allow four Business Days for delivery. Any Form of Acceptance received electronically will be rejected as an invalid acceptance of the Offer.

Idox Shareholders who hold their Idox Shares in uncertificated form (that is, in CREST) should follow the procedures set out in paragraph 17 of Part 1 (*Letter from Frankel UK Bidco Limited*) of the Offer Document and ensure that an Electronic Acceptance is made by them or on their behalf and that settlement is made no later than 1.00 p.m. (London time) on the Unconditional Date. If such shareholders hold their Idox Shares as a CREST sponsored member, they should refer to their CREST sponsor as only their CREST sponsor will be able to send the necessary TTE instruction to Euroclear.

Notice to U.S. Idox Shareholders

The Offer is being made for the securities of an English company that is listed on AIM by means of a contractual takeover offer under the Takeover Code and English law and is subject to disclosure and procedural requirements and practices that are different, in some cases materially, from the tender offer rules of the United States.

It may be difficult for U.S. holders of Idox Shares to enforce their rights and any claim arising out of the U.S. federal laws, since Frankel and Idox are located in a non-U.S. jurisdiction, and some or all of their officers and directors may be residents of a non-U.S. jurisdiction. U.S. holders of Idox may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to the judgement of a U.S. court.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the U.S. Exchange Act, Long Path or their nominees, or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Idox Shares outside of the U.S., other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. Also, in accordance with Rule 14e-5(b) of the U.S. Exchange Act, Canaccord will continue to act as an exempt principal trader in Idox Shares on the London Stock Exchange. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website, www.londonstockexchange.com.

U.S. Idox Shareholders also should be aware that the transaction contemplated herein may have tax consequences for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws and, that such consequences, if any, are not described herein. U.S. Idox Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding this transaction.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Frankel and Idox contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Frankel and Idox about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Frankel and Idox (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "cost-saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Frankel's, Idox's, any member of the Wider Frankel Group's or any member of the Idox Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Frankel's, Idox's, any member of the Wider Frankel Group's or any member of the Idox Group's business.

Although Frankel and Idox believe that the expectations reflected in such forward-looking statements are reasonable, Frankel and Idox can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Frankel and Idox operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Frankel and Idox

operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Frankel nor Idox, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Other than in accordance with their legal or regulatory obligations, neither Frankel nor Idox is under any obligation, and Frankel and Idox expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
