

**Idox. Do more.**

A man in a light-colored suit and glasses is seen from behind, sitting at a desk in a server room. He is looking at several computer monitors displaying data and code. The room is dimly lit with blue and green light from the screens and server racks in the background.

# FusionLive DataBridge

## Enterprise Reporting & Data Management Excellence

**The FusionLive DataBridge** is a powerful application designed to enable enterprise reporting and data management. It provides a comprehensive API framework that allows users to send requests to the FusionLive Cloud and retrieve project data.

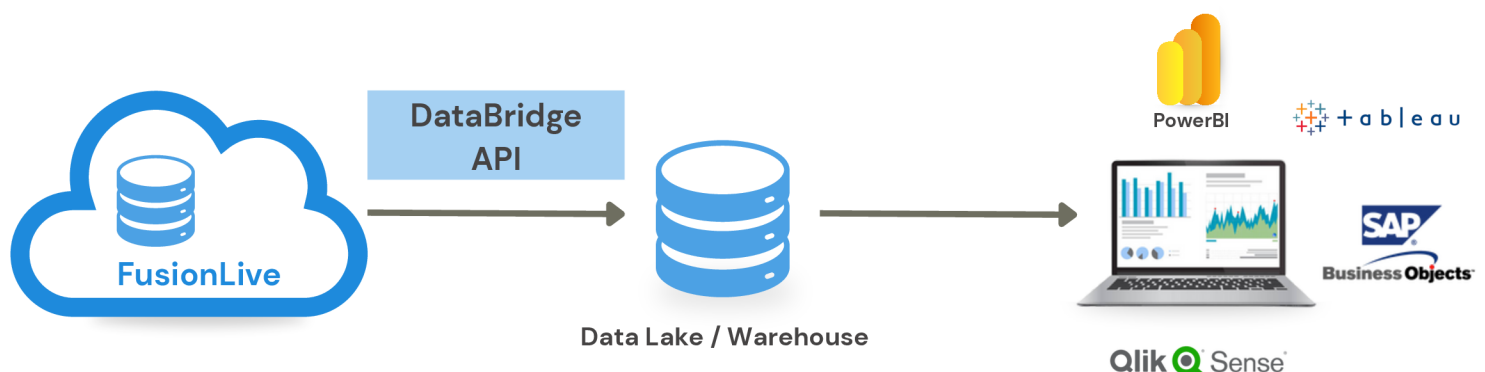

# Enterprise-Grade Technical Capabilities

Built for IT professionals who demand reliability, security, and comprehensive functionality

Access data across all project workspaces within FusionLive and control the transfer of data to a corporate enterprise data lake or warehouse. Whether you're overseeing a single portfolio or multiple programmes, FusionLive DataBridge simplifies reporting by making your data easy to access and use.

## Seamless data integration architecture

Automated, scheduled data synchronization from source to enterprise analytics

## Benefits overview

- Accelerate decision – making
- Strengthen governance
- Enhanced reporting agility
- Reduce operational overhead
- Scale effortlessly
- Boost collaboration

# Security & performance you can rely on

**Extensive API Coverage**

**Custom Metadata Retrieval**

**Structured JSON Responses**

**Time-Range Filtering**

**Pagination Support**

**Token-Based Authentication**

**SSL-encrypted endpoints**

## Security & compliance you can trust

Enterprise-grade security architecture focused on protecting data in transit.

### SSL - Encrypted Endpoints

All data transmission is protected with industry-standard SSL encryption, ensuring your sensitive project information remains secure in transit and meets data security compliance standards.

## Web services for improved processes:

**Authentication & Access**

**Document Metadata Retrieval**

**Schedules & Milestones**
