- 1.2 it is intended that the Proposed Transaction will be implemented by way of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (a **Scheme**), but the Offeror has reserved the right to elect to implement the Proposed Transaction by way of a takeover offer, as defined in the Companies Act 2006 (an **Offer**); and
- 1.3 the Proposed Transaction will be substantially on the terms and conditions to be set out in a firm offer announcement (the **Press Announcement**) to be made under Rule 2.7 of the City Code on Takeovers and Mergers (the **Code**) and substantially in the form of the attached draft Press Announcement at Schedule 2 to this undertaking (the **"Undertaking"**), together with any additional terms and conditions as may be required by the Code and/or any other applicable law or regulation or as the Offeror and the Target may agree.

- 7.4 I acknowledge that, if I breach any of my obligations in this Undertaking, damages alone would not be an adequate remedy and that an order for specific performance would be an essential element of any adequate remedy for that breach.
- 7.5 Any reference to a time, date or period in this Undertaking is a reference to London time and may be extended by mutual agreement between the Offeror and the Target but, as regards any time, date or period originally fixed or so extended, time will be of the essence.

 - 7.9.2 a reference to a person having an "interest in shares" includes all interests which a person would be required to notify to the Target if he were a director of the Target; and
 - 7.9.3 the expression the "Proposed Transaction" extends to any improved or revised offer announced by or on behalf of the Offeror during the offer period, whether voluntary or mandatory, irrespective of how the improved or revised offer is to be implemented and, for the avoidance of doubt, this Undertaking will continue to be binding in respect of the Shares in respect of any improved or revised offer; and

(a newly-formed company indirectly owned by Long Path Co-Investment Fund #6, LP (acting by its general partner, Long Path Co-Investment Fund #6 GP, LLC), Long Path Smaller Companies Fund, LP (acting by its general partner Long Path Fund GP, LLC), Long Path Smaller Companies Master Fund, Ltd. and Long Path Opportunities Fund II, LP (acting by its general partner, Long Path Opportunities Fund GP, LLC))

**to be implemented by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

Summary

- The boards of directors of Frankel UK Bidco Limited (“**Bidco**”), a newly-formed company to be indirectly owned by Long Path Co-Investment Fund #6, LP (acting by its general partner, Long Path Co-Investment Fund #6 GP, LLC), Long Path Smaller Companies Fund, LP (acting by its general partner Long Path Fund GP, LLC), Long Path Smaller Companies Master Fund, Ltd. and Long Path Opportunities Fund II, LP (acting by its general partner, Long Path Opportunities Fund GP, LLC), and Idox plc (“**Idox**”) are pleased to announce that they have reached agreement on the terms and conditions of a recommended all cash acquisition by Bidco of the entire issued, and to be issued, ordinary share capital of Idox. It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the 2006 Act.
- Under the terms of the Acquisition, each Idox Shareholder will be entitled to receive:

for each Idox Share¹: 71.5 pence in cash
- The Acquisition price values the entire issued, and to be issued, ordinary share capital of Idox at approximately £339.5 million.
- The Acquisition price per Idox Share represents a premium of approximately:

¹ **Note:** For the purposes of this summary, references to “Idox Shares” mean the ordinary shares of £0.01 each in the capital of Idox, excluding the Rolling Shares (as defined in paragraph 6 below). References to “Idox Shareholders” shall be construed accordingly.

- 26.8 per cent. to the Closing Price of 56.4 pence per Idox Share on 27 October 2025 (being the last Business Day prior to the date of this announcement); and
 - 29.3 per cent. to the volume weighted average price of 55.3 pence per Idox Share for the one-month period ended 27 October 2025 (being the last Business Day prior to the date of this announcement), and
 - represents the highest price per Idox Share since 22 November 2021.
- Furthermore, the Acquisition represents an attractive implied Enterprise Value multiple of c. 21x Cash EBITDA and c. 21x EBIT based on FY2024 figures.
 - If, on or after the date of this announcement and prior to the Acquisition becoming Effective, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable in respect of the Idox Shares, Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition for the Idox Shares by an amount up to the aggregate amount of such dividend and/or distribution and/or other return of capital or value, in which case any reference in this announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition. In such circumstances, Idox Shareholders would be entitled to retain any such dividend, distribution and/or other return of capital or value.

Background to and reasons for the Acquisition

- For the past seven years, Long Path has been a supportive and patient shareholder of Idox, holding approximately 12% of the issued share capital at the time of this announcement. Long Path believes partnering with Idox in a private context will be beneficial to all stakeholders while allowing for important investment in product and AI that will contribute to Idox's enduring success.
- Idox is a provider of specialised software solutions for the public and private sectors, helping organisations to digitise complex workflows, manage critical information assets, and improve operational efficiency. Long Path recognises that Idox has built a strong position in delivering mission-critical applications across areas such as planning, regulatory compliance, engineering information management, and elections technology, among many others, underpinned by deep domain expertise and long-standing customer relationships. Idox's solutions enhance transparency, collaboration, and productivity for thousands of customers, including local authorities, infrastructure operators, and blue-chip enterprises.
- After observing recent industry and capital market trends, Long Path believes that Idox would benefit from private ownership. Operating as a private company, Idox would be well-positioned to invest in product and technology to satisfy evolving customer demands and drive organic growth while positioning the company for long term success in a dynamic environment. Furthermore, the management team would be able to focus on long term strategic priorities, customer needs, and employee concerns without the rigorous demands of the short-term targets associated with a public listing.
- As a long-time shareholder of Idox with a strong track record of supporting management through growth, Long Path believes it will be an enduring partner for Idox's next stage. In particular, Long Path would provide Idox with important strategic, operational, and capital resources to enable both organic and inorganic growth. Through this partnership, Long Path aims to support Idox as it works to deliver greater impact for customers and sustainable, long term value creation for all stakeholders.

Recommendation

- The Idox Directors, who have been so advised by Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice, Rothschild & Co has taken into account the commercial assessments of the Idox Directors. Rothschild & Co is providing independent financial advice to the Idox Directors for the purposes of Rule 3 of the Takeover Code.
- Accordingly, the Idox Directors intend to recommend unanimously that Scheme Shareholders vote, or procure voting, in favour of the Scheme at the Court Meeting and that the Idox Shareholders vote, or procure voting, in favour of the Resolutions at the General Meeting (or in the event that the Acquisition is implemented by an Offer, to accept or procure acceptance of such Offer) as the Idox Directors who hold interests in Idox Shares (in a personal capacity or through a nominee) have irrevocably undertaken to do, or procure to be done, in respect of their own beneficial holdings (or those Idox Shares over which they have control), being, in aggregate 3,370,690 Idox Shares (representing approximately 0.73 per cent. of the existing issued ordinary share capital of Idox) as at 27 October 2025, being the Business Day prior to the date of this announcement. Further details of these undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this announcement.

Background to and reasons for the recommendation and current trading

- Since its admission to AIM in December 2000, Idox has undergone a period of significant growth and transformation. Its revenues have grown from ~£1.2 million in the financial year ended 31 October 2001 to ~£87.6 million in the financial year ended 31 October 2024.
- Idox is a leading supplier of specialist information management software and geospatial data solutions to a wide array of sectors across the UK and internationally, including government, engineering, transport and property amongst others. Idox's long term commitment to its markets and investment road map has enabled it to deliver solutions that drive efficiencies for its clients and allow its customers to benefit from innovation as technology continues to evolve.
- Despite the performance and strategic prospects, the Idox share price has traded within a relatively narrow range for a number of years. The Idox Board acknowledges Idox is operating in a challenging macroeconomic environment and that there are execution risks associated with pursuing its strategy. These ongoing risks, combined with wider public market liquidity pressures in the UK market have contributed to the current valuation.
- The Idox Board considers that there are certain advantages of being a private company – in particular in the ability, more easily, to forgo short term profitability in pursuing longer term growth; and also in terms of executing material acquisitions. The Idox Board notes and welcomes Long Path's intentions regarding Idox and its planned level of increased investment and, over time, growth in the overall headcount of the business.
- The Idox Board therefore believes the Long Path offer of 71.5 pence per Acquisition Share, reflects an attractive valuation and premium, allowing shareholders to fully crystallise the value of their holdings in cash today.
- The Idox Directors have taken several factors into account in considering the terms of the Acquisition, including:
 - the opportunity for Acquisition Shareholders to realise their investment for cash at a fair and reasonable value;
 - that the Acquisition represents a premium of approximately 26.8 per cent. to the Closing Price of 56.4 pence per Acquisition Share on 27 October 2025 (being the last Business Day prior to the commencement of the Offer Period);

- that the Acquisition represents a premium of approximately 29.3 per cent. to the volume weighted average price of 55.3 pence per Acquisition Share for the one-month period ended 27 October 2025 (being the last Business Day prior to the commencement of the Offer Period); and
- that the Acquisition represents an attractive implied Enterprise Value multiple of c. 21x Cash EBITDA and c. 21x EBIT based on FY2024 figures.
- The Idox Directors have unanimously concluded that the terms of the Acquisition by Long Path represent an attractive proposition for shareholders and stakeholders.
- In considering the Acquisition, the Idox Directors have taken into account Long Path's stated intentions for the business and its employees. The Idox Directors firmly believe that the Acquisition represents an appealing opportunity which on completion of the Acquisition will result in a positive outcome for all its stakeholders, including customers, colleagues and shareholders.
- Idox's financial year ends on 31 October. As in previous years, the Idox Board intends to issue a trading update for Idox's financial year ending 31 October 2025 in November. Ahead of this, management's current view is that revenue is expected to be slightly below prior management expectations, while profitability and net debt is anticipated to be in line with prior management expectations.

Irrevocable undertakings and non-binding letters of intent

- Bidco has received irrevocable undertakings from certain Idox Directors who hold Idox Shares to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or in the event that the Acquisition is implemented by an Offer, to accept or procure acceptance of such Offer), in respect of, in aggregate, 3,370,690 Idox Shares (representing approximately 0.73 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement). These undertakings will remain binding in the event that a higher competing offer for Idox is made.
- Bidco has also received an irrevocable undertaking from another Idox Shareholder, being Herald Investment Trust plc, to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or in the event that the Acquisition is implemented by an Offer, to accept or procure acceptance of such Offer), in respect of, in aggregate 13,648,201 Idox Shares (representing approximately 2.96 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement).
- Bidco has also received non-binding letters of intent from certain other Idox Shareholders, being Canaccord Genuity Asset Management, Rathbones Investment Management and SFM UK Management LLP to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or in the event that the Acquisition is implemented by an Offer, to accept such Offer), in respect of, in aggregate, 89,014,603 Idox Shares (representing approximately 19.28 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement).
- Bidco has, therefore, received irrevocable undertakings and non-binding letters of intent in respect of a total of 106,033,494 Idox Shares (representing approximately 22.97 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement). When combined with Long Path's Existing Shareholding (further details of which are in paragraph 6), the total number of Idox Shares in support of the Acquisition is a total of 162,910,491 Idox Shares (representing approximately 35.29 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement).

- Further details of these irrevocable undertakings and non-binding letters of intent, including the circumstances in which the irrevocable undertakings cease to be binding, are set out in Appendix 3 to this announcement.

Bidco is a newly-formed vehicle, to be indirectly owned by Long Path Co-Investment Fund #6, LP (acting by its general partner, Long Path Co-Investment Fund #6 GP, LLC), Long Path Smaller Companies Fund, LP (acting by its general partner Long Path Fund GP, LLC), Long Path Smaller Companies Master Fund, Ltd. and Long Path Opportunities Fund II, LP (acting by its general partner, Long Path Opportunities Fund GP, LLC) as at the Effective Date, in the following proportions: (i) Long Path Co-Investment Fund #6, LP will own approximately 87 per cent.; (ii) the SCF Fund (as defined below) will own approximately 7 per cent.; and (iii) Long Path Opportunities Fund II, LP will own approximately 6 per cent.. Bidco was formed for the purposes of the Acquisition and has not traded since its date of incorporation, nor has it entered into any obligations other than in connection with the offer and the financing of the Acquisition.
- Long Path is a U.S.-based investment manager focused on long term partnerships with and investments in high-quality, durable businesses across the world. The firm makes concentrated, long term investments across public and private markets, emphasising business quality, alignment with management teams, and a collaborative, active approach to creating enduring value for all stakeholders. It currently has approximately \$1.6 billion of assets under management. In the public markets, the Long Path Vehicles typically maintain concentrated portfolios of 8 to 12 high-quality businesses. In the private markets, the Long Path Vehicles similarly maintain concentrated portfolios of high-quality businesses that were private or taken private, working with management teams to execute against concrete value creation plans. They invest with a multi-year horizon of typically five years and maintain a globally diversified portfolio with a primary focus on European, North American, and Australian companies. Long Path focuses on sectors where it has deep experience and a proven history, including enterprise software, B2B consumables, and business and information services.

Long Path Smaller Companies Fund

- Long Path Smaller Companies Master Fund, Ltd. (the “**SCF Master Fund**”, and together, with its feeder vehicle, Long Path Smaller Companies Fund, LP (the “**SCF LP**”), the “**SCF Fund**”) currently holds the Existing Shareholding. In line with its internal fund-level arrangements with its limited partners, the SCF Fund will realise and return capital to its investors in respect of approximately two-thirds of the Existing Shareholding and will roll over the remaining approximately one-third of the Existing Shareholding into Bidco (via its holding structure) conditional upon the Acquisition becoming Effective.
- These rollover arrangements will be implemented through a transfer agreement to be entered into on the date of this announcement between, inter alia, the SCF Master Fund and Bidco (the “**Transfer Agreement**”).

Timetable and conditions

- It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the 2006 Act (although Bidco reserves the right to effect the Acquisition by way of an Offer, subject to the consent of the Panel and the terms of the Cooperation Agreement).
- The Acquisition is conditional on, among other things, the approval of the requisite majority of Scheme Shareholders at the Court Meeting and Idox Shareholders at the General Meeting. The Court Meeting and the General Meeting are expected to occur during the fourth quarter of 2025 and are required to enable Scheme Shareholders and Idox Shareholders, respectively, to consider and, if thought fit, vote in favour of the Scheme and the Resolutions (respectively) to implement the Scheme. In order to become Effective, the Scheme must be approved by a majority in number of Scheme Shareholders, present and voting at the Court Meeting, whether in person or by proxy, representing 75 per cent. or more in value of the Scheme Shares voted. In addition, the Resolutions include a special resolution in connection with implementing the Scheme which must be passed by Idox Shareholders representing at least 75 per cent. of votes cast at the General Meeting. In addition, following the Court Meeting, the Scheme must be sanctioned by the Court.
- The Conditions to the Acquisition are set out in full in Appendix 1 to this announcement along with certain other terms; the full terms and conditions will be provided in the Scheme Document. The Conditions include the receipt of regulatory approvals as further described in this announcement.
- It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and General Meeting, together with the associated forms of proxy, will be posted to Idox Shareholders as soon as practicable and in any event within 28 days of this announcement (or such later time as Idox, Bidco and the Panel agree) and the Meetings are expected to be held as soon as reasonably practicable thereafter. Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Scheme Document will also be made available on Idox's website at www.idoxgroup.com/investors.

- The Acquisition is currently expected to complete during Q1 2026, subject to the satisfaction or (where applicable) waiver of the Conditions. An expected timetable of key events relating to the Acquisition will be set out in the Scheme Document.
- Commenting on this announcement, Chris Stone, the Chair of Idox, said:

“The Bidco offer recognises the work undertaken by the Board, Management and employees of the Idox business and provides Idox Shareholders with an attractive, certain value in cash today that reflects the quality of our business and its people. While we remain confident in Idox’s standalone prospects, the Board also notes Bidco’s plans to invest in Idox’s product suite and intentions to support continued investment in the business. Following careful consideration, as a board we have unanimously concluded that the Acquisition is in the interests of our key stakeholders.”

- Commenting on this announcement, Brian Nelson, Partner and Portfolio Manager of Long Path, said:

“We are thrilled to partner with the Idox team to steer the company through its next phase of growth. As long-time shareholders of the business in the public markets, we have long admired the business and the team’s execution. Idox has demonstrated a remarkable ability to deliver world class, mission-critical software solutions to government and commercial customers in the UK and around the world. In our view, Idox’s public listing no longer best serves the company’s long term development prospects. Our partnership is built on a shared belief in Idox’s people, products, and purpose. Together, we will accelerate investment in product and innovation, enhance the customer experience, and strengthen Idox’s position as a leader in delivering critical digital infrastructure.”

This summary should be read in conjunction with, and is subject to, the full text of this announcement and the Appendices. The conditions to, and certain further terms of, the Acquisition are set out in Appendix 1. The bases and sources for certain financial information contained in this announcement are set out in Appendix 2. Details of the irrevocable undertakings and non-binding letters of intent received by Bidco are set out in Appendix 3. Certain definitions and terms used in this announcement are set out in Appendix 4.

Notice to U.S. Idox Shareholders

*The Acquisition relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the U.S. Securities Exchange Act of 1934 (the “**U.S. Exchange Act**”). Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement which differ from the disclosure requirements of the U.S. tender offer and proxy solicitation rules. The financial information included in this announcement has been prepared in accordance with generally accepted accounting principles of the United Kingdom and thus may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.*

If, in the future, Bidco exercises its right to implement the Acquisition by way of an Offer, which is to be made into the United States, such Offer will be made in compliance with the applicable U.S. laws and regulations.

It may be difficult for U.S. holders of Idox Shares to enforce their rights and any claim arising out of the U.S. federal laws, since Bidco and Idox are located in a non-U.S. jurisdiction, and some or all of their officers and directors may be residents of a non-U.S. jurisdiction. U.S. holders of Idox may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court’s judgement.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the U.S. Exchange Act, Long Path or their nominees, or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Idox Shares outside of the U.S., other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. Also, in accordance with Rule 14e-5(b) of the U.S. Exchange Act, Canaccord will continue to act as an exempt principal trader in Idox Shares on the London Stock Exchange. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website, www.londonstockexchange.com.

U.S. Idox Shareholders also should be aware that the transaction contemplated herein may have tax consequences for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws and, that such consequences, if any, are not described herein. U.S. Idox Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding this transaction.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Bidco and Idox contain statements which are, or may be deemed to be, “forward-looking statements”. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Bidco and Idox about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Bidco and Idox (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as “prepares”, “plans”, “expects” or “does not expect”, “is expected”, “is subject to”, “budget”, “projects”, “synergy”, “strategy”, “scheduled”, “goal”, “estimates”, “forecasts”, “cost-saving”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would”, “might” or “will” be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco’s, Idox’s, any member of the Bidco Group’s or any member of the Idox Group’s operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco’s, Idox’s, any member of the Bidco Group’s or any member of the Idox Group’s business.

Although Bidco and Idox believe that the expectations reflected in such forward-looking statements are reasonable, Bidco and Idox can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated

benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco and Idox operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Bidco and Idox operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Bidco nor Idox, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Idox Group, there may be additional changes to the Idox Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

Other than in accordance with their legal or regulatory obligations, neither Bidco nor Idox is under any obligation, and Bidco and Idox expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Dealing and Opening Position Disclosure Requirements

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) of the Takeover Code applies must be made by no later than 3.30 pm (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. General

Bidco reserves the right to elect, with the consent of the Panel (where necessary) and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of an Offer as an alternative to the Scheme. In such an event, for so long as the Cooperation Agreement is continuing, an Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments, including an acceptance condition set at not more than 90 per cent. of the Idox Shares on a fully diluted basis (or such other percentage as may be permitted under the terms of the Cooperation Agreement) and (to the extent necessary) consultation with the Panel, being in any case more than 50 per cent. of the Idox Shares).

If the Acquisition is effected by way of an Offer, and such an Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the 2006 Act so as to acquire compulsorily the remaining Idox Shares in respect of which the Offer has not been accepted.

Investors should be aware that Bidco may purchase Idox Shares otherwise than under any Offer or the Scheme, including pursuant to privately negotiated purchases.

under Part 26 of the Companies Act 2006**

1 INTRODUCTION

The boards of directors of Bidco, a newly-formed company to be indirectly owned by Long Path Co-Investment Fund #6, LP (acting by its general partner, Long Path Co-Investment Fund #6 GP, LLC), Long Path Smaller Companies Fund, LP (acting by its general partner Long Path Fund GP, LLC), Long Path Smaller Companies Master Fund, Ltd. and Long Path Opportunities Fund II, LP (acting by its general partner, Long Path Opportunities Fund GP, LLC), and Idox are pleased to announce that they have reached agreement on the terms and conditions of a recommended all cash acquisition by Bidco of the entire issued, and to be issued, ordinary share capital of Idox.

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the 2006 Act (although Bidco reserves the right to effect the Acquisition by way of an Offer, subject to the consent of the Panel and the terms of the Cooperation Agreement). The Conditions to the Acquisition are set out in full in Appendix 1 to this announcement.

2 THE ACQUISITION

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and the full terms and conditions to be set out in the Scheme Document, each Idox Shareholder will be entitled to receive:

for each Idox Share²: 71.5 pence in cash

The Acquisition price values the entire issued, and to be issued, ordinary share capital of Idox at approximately £339.5 million.

The Acquisition price per Idox Share represents a premium of approximately:

- 26.8 per cent. to the closing share price of 56.4 pence per Idox Share on 27 October 2025 (being the last Business Day prior to the date of this announcement); and
- 29.3 per cent. to the volume weighted average price of 55.3 pence per Idox Share for the period ending 27 October 2025 (being the last Business Day prior to the date of this announcement), and
- represents the highest price per Idox Share since 22 November 2021.

Furthermore, the Acquisition represents an attractive implied Enterprise Value multiple of c. 21x Cash EBITDA and c. 21x EBIT based on FY2024 figures.

The Idox Shares will be acquired pursuant to the Acquisition fully paid and free from all liens, charges, equities, encumbrances, rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching thereto, including without limitation voting rights and the right to receive and retain in full all dividends and other distributions (if any) announced, declared, made or paid with a record date on or after the Effective Date.

If, on or after the date of this announcement and prior to the Acquisition becoming Effective, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable in respect of the Idox Shares, Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition for the Idox Shares by an amount up to the aggregate amount of such dividend and/or distribution and/or other return of capital or value, in which case any reference in this announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition. In such circumstances, Idox Shareholders would be entitled to retain any such dividend, distribution and/or other return of capital or value.

3 BACKGROUND TO AND REASONS FOR THE ACQUISITION

For the past seven years, Long Path has been a supportive and patient shareholder of Idox, holding approximately 12% of the issued share capital at the time of this announcement. Long Path believes partnering with Idox in a private context will be beneficial to all stakeholders while allowing for important investment in product and AI that will contribute to Idox's enduring success.

Idox is a provider of specialised software solutions for the public and private sectors, helping organisations to digitise complex workflows, manage critical information assets, and improve operational efficiency. Long Path recognises that Idox has built a strong position in delivering mission-critical applications across areas such as planning, regulatory compliance, engineering information management, and elections technology, among many others, underpinned by deep domain expertise and long-standing customer relationships. Idox's solutions enhance transparency, collaboration, and productivity for thousands of customers, including local authorities, infrastructure operators, and blue-chip enterprises.

² **Note:** For the purposes of this paragraph 2, references to "Idox Shares" mean the ordinary shares of £0.01 each in the capital of Idox, excluding the Rolling Shares (as defined in paragraph 6 below). References to "Idox Shareholders" shall be construed accordingly.

After observing recent industry and capital market trends, Long Path believes that Idox would benefit from private ownership. Operating as a private company, Idox would be well positioned to invest in product and technology to satisfy evolving customer demands and drive organic growth while positioning the company for long term success in a dynamic environment. Furthermore, the management team would be able to focus on long term strategic priorities, customer needs, and employee concerns without the rigorous demands of the short-term targets associated with a public listing.

As a long-time shareholder of Idox with a strong track record of supporting management through growth, Long Path believes it will be an enduring partner for Idox's next stage. In particular, Long Path would provide Idox with important strategic, operational, and capital resources to enable both organic and inorganic growth. Through this partnership, Long Path aims to support Idox as it works to deliver greater impact for customers and sustainable, long term value creation for all stakeholders.

4 RECOMMENDATION

The Idox Directors, who have been so advised by Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice, Rothschild & Co has taken into account the commercial assessments of the Idox Directors. Rothschild & Co is providing independent financial advice to the Idox Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Idox Directors intend to recommend unanimously that the Scheme Shareholders vote, or procure voting, in favour of the Scheme at the Court Meeting and that the Idox Shareholders vote, or procure voting, in favour of the Resolutions at the General Meeting (or in the event that the Acquisition is implemented by an Offer, to accept or procure acceptance of such Offer) as the Idox Directors who hold interests in Idox Shares (in a personal capacity or through a nominee) have irrevocably undertaken to do, or procure to be done, in respect of their own holdings over which they have control, being, in aggregate 3,370,690 Idox Shares (representing approximately 0.73 per cent. of the existing issued ordinary share capital of Idox) as at 27 October 2025, being the Business Day prior to the date of this announcement. Further details of these undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this announcement.

5 BACKGROUND TO AND REASONS FOR THE RECOMMENDATION AND CURRENT TRADING

Since its admission to AIM in December 2000, Idox has undergone a period of significant growth and transformation. Its revenues have grown from ~£1.2 million in the financial year ended 31 October 2001 to ~£87.6 million in the financial year ended 31 October 2024.

Idox is a leading supplier of specialist information management software and geospatial data solutions to a wide array of sectors across the UK and internationally, including government, engineering, transport and property amongst others. Idox's long term commitment to its markets and investment road map has enabled it to deliver solutions that drive efficiencies for its clients and allow its customers to benefit from innovation as technology continues to evolve.

Despite the performance and strategic prospects, the Idox share price has traded within a relatively narrow range for a number of years. The Idox Board acknowledges Idox is operating in a challenging macroeconomic environment and that there are execution risks associated with pursuing its strategy. These ongoing risks, combined with wider public market liquidity pressures in the UK market have contributed to the current valuation.

The Idox Board considers that there are certain advantages of being a private company – in particular in the ability, more easily, to forgo short term profitability in pursuing longer term growth; and also in terms of executing material acquisitions. The Idox Board notes and welcomes Long Path’s intentions regarding Idox and its planned level of increased investment and, over time, growth in the overall headcount of the business.

The Idox Board therefore believes the Long Path offer of 71.5 pence per Acquisition Share, reflects an attractive valuation and premium, allowing shareholders to fully crystallise the value of their holdings in cash today.

The Idox Directors have taken several factors into account in considering the terms of the Acquisition, including:

- the opportunity for Acquisition Shareholders to realise their investment for cash at a fair and reasonable value;
- that the Acquisition represents a premium of approximately 26.8 per cent to the Closing Price per Acquisition Share of 56.4 pence on 27 October 2025 (being the last Business Day prior to the commencement of the Offer Period);
- that the Acquisition represents a premium of approximately 29.3 per cent to the volume weighted average price per Acquisition Share of 55.3 pence for the one-month period ended 27 October 2025 (being the last Business Day prior to the commencement of the Offer Period); and
- that the Acquisition represents an attractive implied Enterprise Value multiple of c. 21x Cash EBITDA and c. 21x EBIT based on FY2024 figures.

The Idox Directors have unanimously concluded that the terms of the Acquisition by Long Path represent an attractive proposition for shareholders and stakeholders.

In considering the Acquisition, the Idox Directors have taken into account Long Path’s stated intentions for the business and its employees. The Idox Directors firmly believe that the Acquisition represents an appealing opportunity which on completion will result in a positive outcome for all its stakeholders, including customers, colleagues and shareholders.

Idox’s financial year ends on 31 October. As in previous years, the Idox Board intends to issue a trading update for Idox’s financial year ending 31 October 2025 in November. Ahead of this, management’s current view is that revenue is expected to be slightly below prior management expectations, while profitability and net debt is anticipated to be in line with prior management expectations.

6 INFORMATION RELATING TO BIDCO AND LONG PATH

Bidco

Bidco is a private limited company incorporated in England and Wales. Bidco is a newly-formed vehicle, to be indirectly owned by Long Path Co-Investment Fund #6, LP (acting by its general partner, Long Path Co-Investment Fund #6 GP, LLC), the SCF Fund and Long Path Opportunities Fund II, LP (acting by its general partner, Long Path Opportunities Fund GP, LLC) as at the Effective Date, in the following proportions: (i) Long Path Co-Investment Fund #6, LP will own 87 per cent.; (ii) the SCF Fund will own 7 per cent.; and (iii) Long Path Opportunities Fund II, LP will own 6 per cent.. Bidco was formed for the purposes of the Acquisition and has not traded since its date of incorporation, nor has it entered into any obligations other than in connection with the offer and financing of the Acquisition.

The current directors of Bidco are Will Brennan, John Cresson and Kyle Warren. Further details in relation to Bidco will be contained in the Scheme Document.

Long Path

Long Path is a U.S.-based investment manager focused on long term partnerships with and investments in high-quality, durable businesses across the world. The firm makes concentrated, long term investments across public and private markets, emphasising business quality, alignment with management teams, and a collaborative, active approach to creating enduring value for all stakeholders. It currently has approximately \$1.6 billion of assets under management. In the public markets, the Long Path Vehicles typically maintain concentrated portfolios of 8 to 12 high-quality businesses. In the private markets, the Long Path Vehicles similarly maintain concentrated portfolios of high-quality businesses that were private or taken private, working with management teams to execute against concrete value creation plans. They invest with a multi-year horizon of typically five years and maintain a globally diversified portfolio with a primary focus on European, North American, and Australian companies. Long Path focuses on sectors where it has deep experience and a proven history, including enterprise software, B2B consumables, and business and information services.

Long Path Smaller Companies Fund

The SCF Fund is structured as a master-feeder fund where underlying investors participate through subscribing for interests in the SCF LP, which acts as the feeder fund to the Master Fund. The SCF LP's investors (the “**Limited Partners**”) commit capital on a non-discretionary basis, which capital is pooled and invested into the Master Fund who then, under the sole discretion of its portfolio manager, makes and manages investments in accordance with the SCF Fund's investment strategy. As is typical, the Limited Partners do not make or influence individual investment decisions.

The SCF Fund operates two types of investment pools:

- a public pool, through which the SCF Fund holds listed and other liquid public-market investments (the “**Public Pool**”); and
- one or more private pools, which are used exclusively for private investments in public companies within the SCF Fund's portfolio that are being taken private (each, a “**Private Pool**”).

Each Limited Partner's capital is initially allocated to the Public Pool accounts. At the beginning of each financial year, Limited Partners are invited to elect whether they wish to participate in any private investments that the SCF Fund may pursue during that year using a Private Pool. The election is made on a blind basis. Limited Partners decide whether to opt into private opportunities without knowing the identity or potential pipeline of target companies and without the ability to influence the SCF Fund's investment decisions.

For 2025, Limited Partners representing approximately one-third of interests in the SCF Fund have elected to participate in Private Pools (“**Electing Partners**”). On the Acquisition becoming Effective, the portion of the interests of these Electing Partners indirectly corresponding to the SCF Fund's investment in Idox will be redesignated from Public Pool interests into dedicated Private Pool interests established and allocated to the Acquisition. The Existing Shareholding held by the SCF Master Fund which are allocated to the Private Pool will be transferred to Bidco (pursuant to the Transfer Agreement) and accordingly, 21,768,814 Idox Shares (the “**Rolling Shares**”) (being approximately one-third of the Existing Shareholding) will be held directly by Bidco. In exchange for such transfer, the Private Pool will be allocated an interest in the holding structure of Bidco.

Limited Partners who did not elect to participate in private investments for 2025 (“Non-Electing Partners”) will remain invested in Idox indirectly through the Public Pool and their indirect interests in Idox (represented by 35,108,183 Idox Shares (the “**Non-Rolling Idox Shares**”)) will be sold as part of the Acquisition (i.e. for cash on the same terms as other Acquisition Shareholders). Following completion of the Acquisition, the proceeds from the sale of the Existing Shareholding indirectly attributable to these Non-Electing Partners will be allocated to the Non-Electing Partners’ interests in the Public Pool.

The election to participate in the Private Pool and the corresponding redesignation of Limited Partner interests are purely internal, fund-level accounting measures that determine how the SCF Fund allocates investor capital between its two investment pools. These arrangements have been in place since July 2022.

As such, any difference in outcome of the Acquisition between Electing Partners and Non-Electing Partners arises solely from how the SCF Fund accounts for and allocates its capital, and does not amount to a special arrangement under Rule 16 of the Takeover Code whereby one group of indirect shareholders is being offered favourable conditions in comparison to any other group of shareholders. In addition, any difference in outcome was pre-determined at the beginning of 2025 when Limited Partners made elections as either an Electing Partner or a Non-Electing Partner at a time when the Acquisition was not in contemplation.

8 IRREVOCABLE UNDERTAKINGS AND NON-BINDING LETTERS OF INTENT

As described above, Bidco has received irrevocable undertakings from certain Idox Directors who hold Idox Shares to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or in the event that the Acquisition is implemented by an Offer, to accept or procure acceptance of such Offer), in respect of, in aggregate, 3,370,690 Idox Shares (representing approximately 0.73 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement). These undertakings will remain binding in the event that a higher competing offer for Idox is made.

Bidco has also received an irrevocable undertaking from another Idox Shareholder, being Herald Investment Trust plc, to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or in the event that the Acquisition is implemented by an Offer, to accept or procure acceptance of such Offer), in respect of, in aggregate 13,648, 201 Idox Shares (representing approximately 2.96 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement).

Bidco has also received non-binding letters of intent from certain other Idox Shareholders, being Canaccord Genuity Asset Management, Rathbones Investment Management and SFM UK Management LLP to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or in the event that the Acquisition is implemented by an Offer, to accept such Offer), in respect of, in aggregate, 89,014,603 Idox Shares (representing approximately 19.28 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement).

Bidco has, therefore, received irrevocable undertakings and non-binding letters of intent in respect of a total of 106,033,494 Idox Shares (representing approximately 22.97 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement). When combined with Long Path's Existing Shareholding (further details of which are in paragraph 6), the total number of Idox Shares in support of the Acquisition is a total of 162,910,491 Idox Shares (representing approximately 35.29 per cent. of the existing issued ordinary share capital of Idox as at 27 October 2025, being the last Business Day before the date of this announcement).

Further details of these irrevocable undertakings and non-binding letters of intent, including the circumstances in which the irrevocable undertakings cease to be binding, are set out in Appendix 3 to this announcement.

9 FINANCING OF THE ACQUISITION

The cash consideration payable to Acquisition Shareholders under the terms of the Acquisition will be financed by a combination of:

(i) equity to be invested by Long Path Opportunities Fund II, LP (acting by its general partner, Long Path Opportunities Fund GP, LLC) ("**Fund 2**"), Long Path Co-Investment Fund #6, LP (acting by its general partner, Long Path Co-Investment Fund #6 GP, LLC) ("**Fund 6**") and Long Path Opportunities Fund, LP (acting by its general partner, Long Path Opportunities Fund GP, LLC) ("**Fund 1**") pursuant to an equity commitment letter entered into by (amongst others) each such fund in favour of Bidco (the "**ECL**"). Pursuant to the ECL, Fund 2, Fund 6 and Fund 1 will commit to provide the required equity funding to Bidco, however it is currently expected that the amount of equity committed by Fund 1 and a portion of the equity committed by Fund 2 and Fund 6 will be syndicated to third-party co-investors prior to the Acquisition becoming Effective. Accordingly, Fund 1 is not expected to become an indirect shareholder in Bidco;

(ii) equity to be indirectly invested by the Equity Co-Investor (as detailed in paragraph 10) pursuant to an equity commitment letter in favour of Fund 6; and

(iii) debt to be provided under the Interim Facilities Agreement arranged by Guggenheim Partners Europe Limited, with the conditions precedent to that agreement confirmed in the Interim Conditions Precedent Satisfaction Letter, and which debt will be replaced following the date of this announcement by debt to be provided under the Facilities set out in the Commitment Letter.

Canaccord, in its capacity as financial adviser to Bidco, is satisfied that sufficient resources are available to Bidco to satisfy in full the cash consideration payable to Acquisition Shareholders under the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

10 CO-INVESTOR COMMITMENT

In connection with the equity financing of Bidco, Long Path Co-Investment Fund #6, LP has received equity commitments from E. León Jimenes Financial, S.A. (“**ELJ Financial**”, or the “**Equity Co-Investor**”).

The Equity Co-Investor is expected to be a passive investor who will not be granted any direct governance or control rights over Bidco or any member of the Idox Group. For the avoidance of doubt, the equity commitment letter provided by Long Path Co-Investment Fund #6, LP, dated the date of this announcement and referred to in paragraph 9, does not reflect any amounts proposed to be committed by the Equity Co-Investor.

As at the date of this announcement, the Equity Co-Investor’s commitments total, in aggregate, £60.1 million, which would comprise a maximum economic indirect interest in Bidco, of approximately 43 per cent. Details of the maximum potential indirect interests of the Equity Co-Investor in Bidco, and certain further information on the Equity Co-Investor, are set out below.

Equity Co-Investor (or its affiliate(s) and/or related investing vehicle(s))	Equity Co-Investor’s approx. max per cent. indirect interest in Bidco

11 OFFER-RELATED ARRANGEMENTS

These confidentiality obligations will remain in force until the earlier of (a) definitive transaction documentation being entered into in respect of the Acquisition; and (b) 16 April 2027. The Confidentiality Agreement contains standstill provisions which restricted Long Path, its group undertakings and its and their authorised recipients from acquiring or offering to acquire interests in certain securities of Idox; those restrictions ceased to apply on the making of this announcement. The Confidentiality Agreement also contains restrictions on Long Path and certain of its authorised recipients soliciting or employing certain senior employees of the Idox group.

Cooperation Agreement

Bidco and Idox have entered into the Cooperation Agreement on or around the date of this announcement in connection with the Acquisition.

Pursuant to the Cooperation Agreement, each of Bidco and Idox have agreed to co-operate with each other, and Bidco has agreed to use reasonable endeavours to achieve and otherwise satisfy the any regulatory clearances as promptly as reasonably practicable (and, in any event, in sufficient time so as to enable the Effective Date to occur on or prior to the Long Stop Date). Bidco has also agreed to certain provisions if the Acquisition were to be implemented pursuant to an Offer rather than pursuant to the Scheme. The Cooperation Agreement also contains provisions that will apply in respect of the Idox Share Plans and certain other employee incentive arrangements. Further details of such arrangements will be set out in the Scheme Document.

The Cooperation Agreement will terminate in certain circumstances, including where it is agreed in writing between Bidco and Idox at any time prior to the Effective Date, or upon service of written notice by Bidco to Idox or Idox to Bidco if (among other things) certain changes occur in relation to the Idox Board's recommendation of the Acquisition, if the Acquisition lapses, terminates or is withdrawn on or prior to the Long Stop Date (other than in certain circumstances including a switch to a Takeover Offer agreed between Idox and Bidco), or a third party has announced a firm intention to make an offer or revised offer for Idox which completes, becomes effective or is declared or becomes unconditional in all respects.

Management Bonuses

In connection with the Acquisition, Idox will pay the certain bonuses to members of Idox's management team (the "**Management Group Bonuses**") which will reflect: (i) the customary in-year performance bonuses that would otherwise be payable to Idox's management team for the 2025 financial year (and which will not be payable in lieu of the Acquisition-related bonus); and (ii) the significant extra time contribution of the Idox management team in connection with the Acquisition. Certain other individuals who would not typically qualify for an annual bonus will also receive a bonus to reflect their role in connection with the Acquisition (the "**Additional Employees Bonuses**").

The maximum aggregate amount of the payments that will be made in connection with the Management Group Bonuses and the Additional Employees Bonuses (including employer's National Insurance contributions arising thereon) shall not exceed £1,500,000. The executive directors of Idox shall receive, in aggregate, over 50% of the total sum payable in connection with the Management Group Bonuses and the Additional Employees Bonuses.

The Management Group Bonuses and the Additional Employees Bonuses shall become payable on or shortly after the Acquisition becoming Effective.

As required by, and solely for the purposes of, Rule 16.2 of the Takeover Code, Rothschild & Co has reviewed the terms of the Management Group Bonuses and Additional Employees Bonuses and confirmed that, in its opinion, they are fair and reasonable. In providing its advice, Rothschild & Co has taken into account the commercial assessments of the Idox Directors. Rothschild & Co is providing independent financial advice to Idox for the purposes of Rule 3 of the Takeover Code.

12 DISCLOSURE OF INTERESTS IN IDOX SECURITIES

Except for the irrevocable undertakings and non-binding letters of intent referred to in paragraph 8 above and Appendix 3, and the Existing Shareholding as detailed in paragraph 6, as at 27 October 2025 (being the last Business Day before the date of this announcement) neither Bidco, nor any of its directors, nor, so far as Bidco is aware, any person treated as acting in concert (within the meaning of the Takeover Code) with it for the purposes of the Acquisition: (i) had any interest in or right to subscribe for or had borrowed or lent any Idox Shares or securities convertible or exchangeable into Idox Shares, or (ii) had any short positions in respect of relevant securities of Idox (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery, or (iii) has borrowed or lent any relevant securities of Idox (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 3 on Rule 4.6 of the Takeover Code) save for any borrowed shares which have been either on-lent or resold, or (iv) is a party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

It has not been practicable for Bidco to make enquiries of all of its concert parties in advance of the release of this announcement. Therefore, if Bidco becomes aware, following the making of such enquiries, that any of its concert parties have any additional interests in the relevant securities of Idox, all relevant details in respect of Bidco's concert parties will be included in Bidco's Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Takeover Code which must be made on or before 12 noon (London time) on the tenth business day (as defined in the Takeover Code) following the date of this announcement.

13 DIRECTORS, MANAGEMENT, EMPLOYEES, PENSIONS, RESEARCH AND DEVELOPMENT AND LOCATIONS

Bidco's strategic plans for Idox

Long Path has an extensive track record of partnering with management teams to grow, invest, and implement operational best practices allowing businesses to build strong foundations that create value for all stakeholders. Long Path holds Idox's management team and employees in high regard.

Upon the Scheme becoming Effective, Long Path will benefit from having greater access to the business, employees, customers and partners of Idox. Working with Idox's management, Long Path intends to formulate more detailed long term strategic and operational plans for Idox, to implement best practices which will accelerate organic growth, enhance profitability, and create opportunities for all Idox stakeholders. It is anticipated that this more detailed long term strategic and operational planning will be completed within six months of the Effective Date.

The parameters of the detailed review of Idox have not yet been finalised, but it is expected Long Path will focus on, inter alia, the following areas:

- modernising Idox's technology to ensure the company is positioned for innovation, new product development, and growth;
- analysing Idox's product portfolio and ensuring resources are allocated appropriately;
- implementing operational best practices;
- evaluating opportunities to accelerate top-line growth;
- reducing non-critical administrative expenses and spending in areas related to Idox's status as a listed company; and
- studying opportunities to utilise generative artificial intelligence in the product suite to aid customer efficiency.

Employees

Long Path recognises the importance of the skills, knowledge, and expertise of Idox's management and employees, and expects that existing employees will continue to be key to the success of Idox going forward.

Long Path confirms its intention that, following the Scheme becoming Effective, the existing contractual and statutory rights and terms and conditions of employment, including pension obligations, of the management and employees of Idox will be fully safeguarded in accordance with applicable law. Long Path confirms it has no intention to make any material changes to the terms and conditions of employment or in the balance of the skills and functions of the Idox employees and management.

Following the Scheme becoming Effective, certain corporate functions which have been related to Idox's status as an AIM traded company may no longer be required or will be reduced in size to reflect Idox ceasing to be an AIM traded company. This may impact a limited number of roles in specific areas.

In addition to the above, Long Path anticipates that there will be certain initiatives to improve operations that change Idox's workforce. It is likely that such changes could result in a material reduction in Idox's overall headcount. This is expected to lead to a net reduction of approximately 5% of the overall workforce. Long Path intends to invest in Idox's product suite, including by investing approximately an incremental ~£5 million into the business at close to fund initiatives that will improve several aspects of the customer experience. Furthermore, Long Path expects that Idox's overall headcount will increase in the long term as part of its efforts to further scale the Idox business and deliver world-class products to its customers.

Any headcount reduction would take place up to two years following the Scheme becoming Effective, the majority of which would be expected to occur in the twelve months following the Scheme becoming Effective and following comprehensive planning and the appropriate conclusion of all applicable consultation procedures with affected employees and/or their representatives required by law. Some reduction in headcount may arise from natural attrition. Long Path intends to retain the best talent across Idox. It is expected that, where possible, Idox will seek to review opportunities to reallocate staff to other appropriate new roles that may be created from organic growth in Idox.

Save as set out above, it is not intended that there will be any material change in the conditions of employment or in the balance of the skills and functions of the employees and management of Idox.

Board & Management

Long Path recognises the importance of Idox's management team and looks forward to partnering with them. Following the Scheme becoming Effective, the Group will continue to be led by the existing management team. It is intended that the non-executive directors of Idox will resign as directors of Idox with effect from the Scheme becoming Effective and be paid in lieu of their contractual notice periods.

Management incentive arrangements

Given the importance of Idox's management team, following the Scheme becoming Effective, it is intended that Long Path will review the way in which Idox management and employees are remunerated and incentivised, with a view to achieving an appropriate alignment of incentives for management and employee performance going forward. However, as at the date of this announcement, there have been no discussions nor arrangements agreed, between Long Path and members of Idox's management regarding incentivisation arrangements. Long Path intends to initiate discussions regarding appropriate incentivisation arrangements for certain members of Idox's management following the Scheme becoming Effective.

Pension schemes

Idox has confirmed to Long Path that the only pension scheme it currently makes available to its employees is a defined contribution pension scheme and it does not have any current or historical obligations towards any pension arrangements providing benefits on a defined benefit basis.

Following the Scheme becoming Effective, Long Path does not intend to make any changes to the agreed employer contributions into Idox's defined contribution pension arrangements, the accrual of benefits for existing members or the admission of new members to such pension arrangements, unless such changes are more favourable to the relevant member.

Fixed assets

No significant changes are envisaged by Long Path with respect to Idox's fixed assets.

Research and development

Long Path recognises the important role of research and development ("**R&D**") in Idox's business. Long Path will seek to better understand the existing structure of Idox's R&D function and evaluate opportunities to further enhance this following the Scheme becoming Effective, but any changes to Idox's research and development functions, if any, are intended to be minimal.

Headquarters, headquarter functions and locations

Following the Scheme becoming Effective, Idox's head office and certain key functions will continue to be headquartered at the current Idox office. Long Path has no plans to change other locations of Idox.

Trading Facilities

Prior to the Scheme becoming Effective, application will be made by Idox for the cancellation of trading of the Idox Shares on AIM to take effect shortly after the Effective Date. The last day of dealings in Idox Shares is expected to be the Business Day immediately prior to the Effective Date and no transfers shall be registered after 6.00 p.m. on that date. On the Effective Date, share certificates in respect of Idox Shares shall cease to be valid and entitlements to Idox Shares held within the CREST system shall be cancelled. It is also proposed that, following the Effective Date and after its shares are de-listed, Idox shall be re-registered as a private limited company. Please refer to paragraph 16 of this announcement for further information.

No post-offer undertakings

None of the statements in this paragraph 13 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

14 IDOX SHARE PLANS

Participants in the Idox Share Plans will be contacted regarding the effect of the Acquisition on their rights under the Idox Share Plans. Bidco and Idox have agreed that Bidco will make appropriate proposals to participants in the Idox Share Plans in accordance with Rule 15 of the Takeover Code, except for participants in the Idox plc Share Investment Plan whose Idox Shares will be subject to the Scheme in the ordinary course.

Further details of these arrangements will be set out in the Scheme Document.

15 SCHEME PROCESS

The Acquisition is subject to the Conditions and certain further terms referred to in Appendix 1 to this announcement and to the full terms and conditions to be set out in the Scheme Document, and will only become Effective if, among other things, the following events occur on or before the Long Stop Date:

- a resolution to approve the Scheme is passed by a majority in number of Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing 75 per cent. or more in value of each class of the Scheme Shares held by those Scheme Shareholders;
- the Resolutions necessary to implement the Scheme and the Acquisition are passed by the requisite majority of Idox Shareholders at the General Meeting;
- following the Court Meeting and General Meeting and satisfaction and/or waiver (where applicable) of the other Conditions, the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by Bidco and Idox); and
- following such sanction, an office copy of the Court Order is delivered to the Registrar of Companies.

The Conditions in paragraphs 1 and 2 of Appendix 1 to this announcement provide that the Scheme will lapse (under the authority of Rule 13.5(b) of the Takeover Code) if:

- the Court Meeting and the General Meeting are not held by the 22nd day after the expected date of the Court Meeting and the General Meeting to be set out in the Scheme Document in due course (or such later date (if any) as Bidco and Idox may agree, or (in a competitive situation) as may be specified by Bidco with the consent of the Panel and in each case, if so required, that the Court may allow);
- the Sanction Hearing to approve the Scheme is not held by the 22nd day after the expected date of the Sanction Hearing to be set out in the Scheme Document in due course (or such later date (if any) as Bidco and Idox may agree, or (in a competitive situation) as may be specified by Bidco with the consent of the Panel and in each case, if so required, that the Court may allow); or
- the Scheme does not become Effective by 11.59 p.m. on the Long Stop Date.

If any Condition in paragraph 2 of Part A of Appendix 1 to this announcement is not capable of being satisfied by the date specified therein, Bidco shall make an announcement through a Regulatory Information Service as soon as practicable and, in any event, by not later than 8.00 a.m. on the Business Day following the date so specified, stating whether Bidco has invoked that Condition, (where applicable) waived that Condition or, with the agreement of Idox, specified a new date by which that Condition must be satisfied.

Once the necessary approvals from Scheme Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived and the Scheme has been approved by the Court, the Scheme will become Effective upon delivery of a copy of the Court Order to the Registrar of Companies. Subject to the satisfaction of the Conditions, the Scheme is expected to become Effective during Q1 2026.

Upon the Scheme becoming Effective: (i) it will be binding on all Acquisition Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Scheme Shares will cease to be valid and entitlements to Scheme Shares held within the CREST system will be cancelled. In accordance with the applicable provisions of the Takeover Code, the consideration for the transfer of the Acquisition Shares to Bidco will be despatched no later than 14 days after the Effective Date.

Any Scheme Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Resolutions at the General Meeting will, amongst other matters, provide that the Articles be amended to incorporate provisions requiring any Scheme Shares issued after the Scheme Record Time (including in satisfaction of an option exercised under the Idox Share Plans, and other than to Bidco and/or its nominees) to be automatically transferred to Bidco on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the Articles (as amended) will avoid any person (other than Bidco and its nominees) holding shares in the capital of Idox after the Effective Date.

Further details of the Scheme, including expected times and dates for each of the Court Meeting, the General Meeting and the Sanction Hearing, together with notices of the Court Meeting and the General Meeting, will be set out in the Scheme Document. It is expected that the Scheme Document and the forms of proxy accompanying the Scheme Document will be published as soon as practicable and in any event within 28 days of this announcement (or such later date as Bidco and Idox may, with the consent of the Panel, agree and, if required, the Court may approve).

16 DELISTING, AND CANCELLATION OF TRADING AND RE-REGISTRATION

It is intended that dealings in Idox Shares should be suspended shortly prior to the Effective Date, at a time to be set out in the Scheme Document. It is intended that the London Stock Exchange will be requested to cancel trading of Idox Shares on AIM shortly after the Effective Date.

It is expected that the last day of dealings in Idox Shares on AIM will be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6.00 p.m. (London time) on that date.

It is intended that Idox will be re-registered as a private limited company and for this to take effect as soon as practicable following the Effective Date.

18 GENERAL

Bidco reserves the right to elect (with the consent of the Panel and subject to the terms of the Cooperation Agreement) to implement the acquisition of the Acquisition Shares by way of an Offer as an alternative to the Scheme. In such event, the Offer will be implemented on substantially the same terms, so far as is applicable, as those which would apply to the Scheme.

If the Acquisition is effected by way of an Offer, and such an Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Bidco intends to: (i) make a request to the London Stock Exchange to cancel the trading of Idox Shares on AIM; and (ii) exercise its rights to apply the provisions of Chapter 3 of Part 28 of the 2006 Act so as to acquire compulsorily the remaining Idox Shares in respect of which the Offer has not been accepted.

Investors should be aware that Bidco may purchase Idox Shares otherwise than under the Scheme or any Offer, including pursuant to privately negotiated purchases.

The Acquisition will be on the terms and subject to the conditions set out herein and in Appendix 1, and to be set out in the Scheme Document. The bases and sources for certain financial information contained in this announcement are set out in Appendix 2. Details of the undertakings received by Bidco are set out in Appendix 3. Certain definitions and terms used in this announcement are set out in Appendix 4. The formal Scheme Document will be sent to Idox Shareholders within 28 days of this announcement (or on such later date as may be agreed with Idox and the Panel).

Canaccord (as financial adviser to Bidco and Long Path), and Rothschild & Co (as financial adviser to Idox) and Peel Hunt (as joint financial adviser to Idox) have each given and not withdrawn their consent to the publication of this announcement with the inclusion herein of the references to their names in the form and context in which they appear.

This announcement does not constitute an offer or an invitation to purchase or subscribe for any securities.

Any failure to comply with such requirements may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This announcement has been prepared in accordance with and for the purpose of complying with English law, the Takeover Code, the AIM Rules, the Market Abuse Regulation and the Disclosure Guidance and Transparency Rules and information disclosed may not be the same as that which would have been prepared in accordance with the laws of jurisdictions outside England.

Persons who are not resident in the UK should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. Any person (including, without limitation, nominees, trustees and custodians) who would, or otherwise intends to, forward this announcement, the Scheme Document or any accompanying document to any jurisdiction outside the UK should refrain from doing so and seek appropriate professional advice before taking any action. In particular, the ability of persons who are not resident in the United Kingdom to vote their Idox Shares with respect to the Scheme at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they

To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. Further details in relation to Overseas Shareholders will be contained in the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the offer document).

Unless otherwise determined by Bidco or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into, from, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Copies of this announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction and persons receiving such documents (including, without limitation, agents, custodians, nominees and trustees) must not mail or otherwise forward, distribute or send it in or into or from any Restricted Jurisdiction. Further details in relation to Overseas Shareholders will be included in the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the offer document).

Notice to U.S. Idox Shareholders

The Acquisition relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the U.S. Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement which differ from the disclosure requirements of the U.S. tender offer and proxy solicitation rules. The financial information included in this announcement has been prepared in accordance with generally accepted accounting principles of the United Kingdom and thus may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

If, in the future, Bidco exercises its right to implement the Acquisition by way of an Offer, which is to be made into the United States, such Offer will be made in compliance with the applicable U.S. laws and regulations.

It may be difficult for U.S. holders of Idox Shares to enforce their rights and any claim arising out of the U.S. federal laws, since Bidco and Idox are located in a non-U.S. jurisdiction, and some or all of their officers and directors may be residents of a non-U.S. jurisdiction. U.S. holders of Idox may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgement.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the U.S. Exchange Act, Long Path or their nominees, or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Idox Shares outside of the U.S., other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise

withdrawn. Also, in accordance with Rule 14e-5(b) of the U.S. Exchange Act, Canaccord will continue to act as an exempt principal trader in Idox Shares on the London Stock Exchange. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website, www.londonstockexchange.com.

U.S. Idox Shareholders also should be aware that the transaction contemplated herein may have tax consequences for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws and, that such consequences, if any, are not described herein. U.S. Idox Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding this transaction.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Bidco and Idox contain statements which are, or may be deemed to be, “forward-looking statements”. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Bidco and Idox about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Bidco and Idox (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as “prepares”, “plans”, “expects” or “does not expect”, “is expected”, “is subject to”, “budget”, “projects”, “synergy”, “strategy”, “scheduled”, “goal”, “estimates”, “forecasts”, “cost-saving”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would”, “might” or “will” be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco’s, Idox’s, any member of the Bidco Group’s or any member of the Idox Group’s operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco’s, Idox’s, any member of the Bidco Group’s or any member of the Idox Group’s business.

Although Bidco and Idox believe that the expectations reflected in such forward-looking statements are reasonable, Bidco and Idox can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco and Idox operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Bidco and Idox operate and

changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Bidco nor Idox, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Idox Group, there may be additional changes to the Idox Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

Other than in accordance with their legal or regulatory obligations, neither Bidco nor Idox is under any obligation, and Bidco and Idox expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Dealing and Opening Position Disclosure Requirements

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) of the Takeover Code applies must be made by no later than 3.30 pm (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

General

Bidco reserves the right to elect, with the consent of the Panel (where necessary) and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of an Offer as an alternative to the Scheme. In such an event, for so long as the Cooperation Agreement is continuing, an Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to

the Scheme (subject to appropriate amendments, including an acceptance condition set at not more than 90 per cent. of the Idox Shares on a fully diluted basis (or such other percentage as may be permitted under the terms of the Cooperation Agreement) and (to the extent necessary) consultation with the Panel, being in any case more than 50 per cent. of the Idox Shares).

If the Acquisition is effected by way of an Offer, and such an Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the 2006 Act so as to acquire compulsorily the remaining Idox Shares in respect of which the Offer has not been accepted.

Investors should be aware that Bidco may purchase Idox Shares otherwise than under any Offer or the Scheme, including pursuant to privately negotiated purchases.

4. Condition 1, Conditions 2.1, 2.2, 2.3 and 2.4 in Part A of Appendix 1 above, and, if applicable, any acceptance condition if the Acquisition is implemented by means of an Offer, are not subject to Rule 13.5(a) of the Takeover Code.
5. Any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by Bidco.
6. If the Panel requires Bidco to make an offer or offers for Acquisition Shares under the provisions of Rule 9 of the Takeover Code, Bidco may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.
7. Bidco reserves the right to elect, with the consent of the Panel (where necessary) and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of an Offer as an alternative to the Scheme. In such an event, for so long as the Cooperation Agreement is continuing, an Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments, including an acceptance condition set at not more than 90 per cent. of the Idox Shares on a fully diluted basis (or such other percentage as may be permitted under the terms of the Cooperation Agreement) and (to the extent necessary) consultation with the Panel, being in any case more than 50 per cent. of the Idox Shares). If the Acquisition is effected by way of an Offer, and such Offer becomes or is declared unconditional and sufficient acceptances are received in respect of such Offer, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the 2006 Act so as to acquire compulsorily the remaining Idox Shares in respect of which the Offer has not been accepted.
8. The Acquisition will be subject, *inter alia*, to the Conditions and certain further terms which are set out in this Appendix 1 and to the full terms which will be set out in the Scheme Document and such further terms as may be required to comply with the provisions of the AIM Rules, the provisions of the Takeover Code and the applicable requirements of the Panel and the London Stock Exchange.

9. Acquisition Shares will be acquired by Bidco fully paid and free from all liens, charges, encumbrances and other third party rights of any nature whatsoever and together with all rights attaching to them as at the Effective Date, including the right to receive and retain all dividends and distributions (if any) declared, made or paid after the Acquisition becomes Effective.
10. If, on or after the date of this announcement and prior to the Acquisition becoming Effective, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable in respect of the Idox Shares, Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition for the Acquisition Shares by an amount up to the aggregate amount of such dividend and/or distribution and/or other return of capital or value, in which case any reference in this announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. Any exercise by Bidco of its rights referred to in this paragraph 10 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition. In such circumstances, Idox Shareholders would be entitled to retain any such dividend, distribution and/or other return of capital or value.
11. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws or regulatory requirements of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
12. The Scheme will be governed by English law and be subject to the jurisdiction of the Court, to the Conditions set out above and full terms to be set out in the Scheme Document. The Acquisition will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the FCA, the AIM Rules and the Registrar of Companies.
13. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
